& CONSULTATION

BETTER ORAL HEALTH MEANS BETTER OVERALL HEALTH!

Going to the dentist for orthopedic care may sound odd, but not to Dr. Pomerance. She recognizes the importance of integrating orthopedic corrections and exercises into general dental treatment to improve your health.

- Improve Airway Development
- Align Teeth & Bite
- Improve Head & Neck Posture
- Create Muscle, Teeth & Bone Harmony

Dr. Pomerance's Integrated Care Includes:

- General & Cosmetic Dentistry
- ClearCorrect™, Traditional Braces, Orthotropics & Myobrace
- TMJ Treatment
- Snoring & Sleep Apnea Treatment

*WE ACCEPT MOST INSURANCE PLANS.
WE OFFER SECOND OPINIONS.*

No Dental Plan, No Problem!
